Welcome to our story. We invite you to peruse these pages that contain some of our favorite cow families as well as how we got here. Our pasts both include great partners and great cows that have brought us to where we are today. We appreciate the interest in our cattle, the friendships we've made along the way and look forward to a future full of promise from the results of our breeding program.

Follow our website and Facebook page for the most up-to-date information about our show seasons, sale consignments, cow families and bulls for sale. The door is always open in Copake. Stop by and view the cattle when you are in the area.

~Ken & Kenny

Edge View Genetics in America

- A true passion for the absolute best!

Ken Main has been involved with leading Brown Swiss genetics for approaching two decades. His journey to the top has seen him own in partnership no less than 16 EX94 cows and four EX95 cows as the story of Elite Dairy explains.

How it all began

Ken Main grew up in 4H with Brown Swiss, while Peter Vail had a mixed herd of Brown Swiss and Holsteins as a young farmer before selling out to get into the fertiliser business establishing Carolina Eastern Vail. Ken went on to run a Holstein herd, buying his fertiliser from Peter and one day while sat in Peter's office discussing show cows, he mentioned then that he and a friend planned to buy a good Brown Swiss cow and Peter was extremely interested and asked to invest. The first Brown Swiss purchase was at the Top Acres sale in 2003, Top Acres MJ Peggy 2 EX92 who went on to be All American Junior 2 yrs. old in 2003, and All-American Junior 3 yrs. old in 2004. Also, in that first year the partnership bought Arthurst Garbo Dixie EX94 who was All American Snr 3 yrs. old in 2003 and All American 4 yrs. old in 2004, and they sold a Premier daughter of Dixie in the National Convention sale to Dennis Mashek of Hilltop Acres. This heifer went on to start the D family at Hilltop Acres, from which multiple top sires have been bred. 2003 also saw them buy Hill-N-Dale Co Swallow EX93 who was subsequently All American 3 yrs. old in 2004 and went on to breed ten EX daughters and granddaughters. Elite Dairy started in 2003, with all Brown Swiss and was a partnership between Peter Vail and Ken Main, with 18-20 cows milking that first year under the Cutting Edge prefix. From the beginning Ken explains that the decision was made to start with the good ones as the partners felt they didn't have enough years to work from the bottom up, the aim always has been and remains to be to breed each generation to make them better.

Show Highlights/Success:

The cows are housed in a combination of free stalls, double free stalls, packs and in individual box stalls while being milked twice daily through a single eight sided parlour. The cattle are fed a Total Mix Ration and dry hay with the aim to keep all the cows as ready for the show ring all year round as possible. While the Elite Dairy team attends three or four shows a year the team believe that showing cattle is not only about three or four weeks a year, it's a 365 days a year consideration or programme. The farm harvests and makes its own forage, corn, haylage and dry hay on which to feed the herd and get it into show condition.

The genetics and cow families:

Over the years Ken has bred and owned in partnership a massive 16 EX94 cows, and an incredible four EX95 cows including the breeds first 95 point cow in Eloc Wagor Kandid, Cutting Edge T Delilah, CIE Double W Em Favor and Cutting Edge Thunder Faye. Without a doubt Ken's favourite brood cows have been Delilah, Swallow and J Sherry.

The partnership has also bred a number of influential sires in the Brown Swiss breed including: -

Thunder – Sunnysle KB Tristan x Webster Ridge TD

Seaman – J Sherry x Shasta

Woody – Wizella x Harts Thunder

Stretch – Sasha x Daredevil

Foremost – Fayann x Thunder

Deluxe – Delilah x Calvin

Secret Weapon – Sasha x Dynamite

In terms of their current breeding philosophy the farm is currently using Cutting Edge Foremost – the full brother to Faye – with the ethos that as Ken says, "if it works, why change it." In addition, there are Famous heifers that look promising and will be fresh soon, and the same applies to the Norwin daughters. There are also Carter daughters on the ground and the herd is keen to use young sires from good cow families.

Above: Following Ken Mains successful partnership with Peter Vail with Elite Dairy and the Cutting Edge prefix he formed a new partnership in 2019 with Kenny Joe Manion and Elite Dairy 2 with Edge View has enjoyed continued success.

Other notable cows that the partnerships have owned include:

- Eloc Wagor Kandid EX95 – first Brown Swiss in the US to score EX95 and Grand Champion WDE 2015
- Dublin-Hills Treats EX94 – Grand Champion WDE 2011, dam of 80 registered daughters and one son Cutting Edge Tallant, two of her best daughters are Cutting Edge L Taffy EX93 – Reserve All American 5 yrs. old 2013 and Cutting Edge S Treasure EX92
- Forest Lawn Anthem Busy EX94 – Cow for All Seasons 2009, six times nominated All American
- Old Mill JP Grace EX95 (Canada) – Grand Champion at both WDE and RWF
- Timberline Denmark Angela EX94 - three times nominated All American
- Pot Luck SB Butterfly EX94 - All American Aged Cow and Reserve All American 5 year old
- Nor Belle Jetway River EX94 - Reserve All American 2003
- Heiz Acres Marlo EX94 – Reserve All American component cow
- CIE Double W Em Favor EX95 – All American 4 yrs. old 2015, HM All American 5 yrs. old 2016, HM All American Aged Cow 2017, dam of Reserve Champion WDE 2021 Sr 3 Farroh
- Bittersweet Victor Roxanne EX94 - four times nominated All American
- Voelkers Durango Sasha EX94 – twice nominated All American, dam of Cutting Edge Stretch and Secret Weapon, both bulls are at ST Genetics
- Cutting Edge B Sonny EX93 - grand daughter of Swallow, All American Jr 2, and All American Jr 3yr old, together with Stratus Sue she was All American Produce 2018
- Cutting Edge P Sherry EX94 – All American Winter Yearling and Jnr Champion WDE, Reserve All American Snr 2yr old, nominated All American Senior 3yr old, while her dam J Sherry EX94 was Total Performance Cow WDE, All American Component Cow in 2014 with a lifetime production of 149,090lbs milk, 7795lbs fat and 5783lbs protein
- Top Acres Peppy Wizella EX94 - dam of Cutting Edge Woody at ST Genetics, as a 6 yrs. old gave 30,984lbs in 365 days at 5% fat and 3.4% protein

Above: Cutting Edge Thunder Faye EX94, twice All American and twice Reserve Grand before winning Grand Champion and Reserve Supreme at WDE 2021.

Right: Edge View partners Ken Main and Kenny Joe Manion celebrating Faye's success at 2021 WDE.

- Cutting Edge T Delilah EX95 – 6yr old in 365 days 29,123lbs at 4.7% and 3.5%, five times All American, Supreme Champion WDE 2018 and 2019. Her dam Towpath Agenda Dancer EX92 was purchased as a Winter calf and was twice All American nominated. Her son Edge View C Deluxe is at New Generation Genetics and another son Cutting Edge Mr Dependable is at ST Genetics. Delilah has eight daughters classified as two year olds by six different sires, the lowest is VG86 with four VG89-2yrs
- Cutting Edge Thunder Faye EX94 – All American 2 yrs. old 2016, All American 3 yrs. old 2017, Reserve Grand WDE 2017, Reserve Grand WDE 2019, Grand Champion WDE 2021, Reserve Supreme WDE 2021, All American Aged Cow 2020. Her third dam Mort Tower Frisky EX94 was WDE Grand and All American 2000, 2001 and 2002. Faye's dam Cutting Edge Fayann was Intermediate Champion WDE 2014. From the male perspective Cutting Edge Foremost is the most up and coming sire and is a full brother with ST Genetics, while Faye's son Edge View SW Faithful is at Premium Select Sires.

Sires bred that are leaving their mark include Cutting Edge Thunder the sire of both Delilah and Faye while Cutting Edge T Foremost is now exerting his influence with his daughters Cutting Edge T Farroh Reserve Grand WDE 2021 and Cutting Edge T Sydney HM All American Jr 2 yrs. old.

In terms of Ken's explanation of his breeding ideas and ideals he says he makes his decisions on classification breakdown and seeing daughters of different sires on farms or at the shows, in response to the role of genomics he goes onto say "I listen to people in the

breed and look for myself, I guess I have my own genomics, I just feel I'm too old to have someone tell me what to use".

Marketing the herd on a Worldwide platform:

Each year the herd sells about 60 head to help with expenses, a sale in 2010 saw 100 head sold and the same in 2013, while they often consign to annual sales. Their last big sale was in September 2019 when Peter Vail turned 80 and decided to end the partnership, Ken comments he could never have had a better partner and he and Peter saw cows and heifers alike – 'The Sale like no other' saw 170 head average \$8850 with Delilah topping the sale at \$210,000 followed by Faye at \$175,000.

The business has and continues to use the media platform of shows, sales, advertising, internet, and Facebook to engage with breeders and customers.

The next chapter:

The 'Sale like no other' could have signalled the end of a Brown Swiss era for Ken Main as Peter Vail retired but instead it was merely a new chapter as Ken was not himself ready to retire and his friend Kenny Joe Manion, a lifetime Brown Swiss breeder from Kentucky, approached Ken before the sale and proposed a partnership. With a partnership established they purchased a great base to start over, with approximately 20 cows and heifers from the sale including Delilah and Faye, and established Elite Dairy 2 as a business with the Edge View prefix.

The foundation animals for the Edge View herd now include: -

- Top Acres Peppy Wizelle EX94
- CIE Double W Em Favor EX95
- Cutting Edge D Trish EX92
- Cutting Edge B Sonny EX93

Cutting Edge F Farroh EX91
Voelkers Durango Sasha EX94
Shen-Val Supreme Satin EX94
Cutting Edge P Sherry EX94

Each year the policy is to flush about 20 cows, but no heifers with decisions based on daughters' performance and on popularity and what their customers want, as well as show results. Ken explains their herd is no different to anyone else's and has herd problems and problem cows just like everyone but does say all they can do is the best job possible although they are lucky to have a great vet, located only three miles from the farm and access to Cornell University in upstate New York. In looking to the future, the challenge is continuing to have cattle good enough that people want them, as well as hoping people stay in business and want to buy animals that Elite Dairy 2 develop and nurture.

In 2022 the herd of Edge View extends to 75 cows and 135 heifers with a 21,500lb herd average at 4.9% fat and 3.9% protein while the last couple of years of this latest chapter have already provided many highlights for Elite Dairy 2 – notably Delilah and Faye were Grand and Reserve for their owners at WDE in 2019 and Delilah went onto to be Supreme for the second year in a row. In 2020 Trish was first Junior 3 yrs. old at Southwest National before going on to be Intermediate Champion and then Honourable Mention and the herd also had All American Senior Best Three at the Southwest National.

2021 was all about Faye and Farroh as they wiped the board at WDE, Faye was Grand Champion and Reserve Supreme while Farroh was Intermediate Champion and Reserve Grand, with the family influence personified as Farroh is sired by Faye's full brother, in addition the 2021 WDE yielded an All American Senior Best Three for Edge View and Premier Breeder award. Meanwhile it is a fitting tribute to Ken Mains passion and dedication to the Brown Swiss breed over many years that he received two accolades in 2021– the Active Master Breeder award from the Brown Swiss Historical Society and the Robert "Whitney" McKown Master Breeder award at WDE.

We are indebted for the insight into the Cutting Edge and Edge View herds provided to us here by Ken Main as we have been indulged to a true master class of Brown Swiss breeding from the USA in Kens responses to our inquiring questions – thanks go to Ken for his time and infectious energy.

This article was featured in the Brown Swiss Society of the UK Chimes magazine for their members in March 2022 and produced by The Farm Organisation on their behalf.
